

Bring Hope Around the World

We know your church wants to make a difference this Christmas! Together, your congregation can give a gift where it's most needed, shining as a witness to the real-life Good News of Jesus for the hope and healing of the world.

Train a Pastor

When pastors are well-equipped, the entire church and community flourish. For example, the Kachin state located in Myanmar is an area that has seen long term conflicts between military and armed groups. Many who live there are refugees. Every year the region has faced the challenge of flooding during the rainy season. For people living in the region, pastors play an important role as churches represent belonging, peace, and safety.

What can be done to help?

This project aims to strengthen pastors worldwide. In Kenya, it offers workshops on work-life balance, discipleship, and contextual Bible study. In South Sudan, pastors receive month-long seminars and theological training. In Bolivia, the "Pastoring of Pastors" movement provides support for pastors, leaders, and congregations through mutual support meetings. Each country tailors programs to meet the specific needs of pastors and build up the church.

A Hopeful Story

Living in Myanmar, Zhao is a pastor and father of three; his parents also live with him. Despite being hardworking, he earned a meager income. His financial situation didn't allow him to pursue further theological education, and his family was unable to support him in his studies.

But there is hope. Now, with scholarship support from CBM's partner, Thailand Bethel Theological Institute, Zhao is currently a full-time student pursuing a Bachelor of Theology.

Zhao said, "It had been a burden for me. ... Knowing I was granted support for my tuition fees, I feel a great relief and this has made my life and studies easier and happier. ... I am very grateful to receive this scholarship."

As he finishes his final year of studies, he plans to return to his community to serve at the orphanage center and local church. Thanking the churches in Canada, Zhao says: I will work hard in response to God's grace and your caring support. After I graduate, I hope to be a blessing to others just like you. May God bless every one of you."
